Dear Neighbors,

Hamilton Township is truly a compassionate community - home to compassionate citizens that make a positive difference in the lives of others every single day.

We are pleased to continue the tradition of our annual 2020 Hamilton Township Municipal Government calendar to provide you with important information about services, as well as helpful reminder dates.

I want to thank all of the residents and local organizations that provided pictures for our calendar, as well as the generous local businesses who helped to support the production of our calendar.

I would like to thank the residents of our great community for the opportunity to serve them as Mayor; and I extend my sincerest best wishes to Mayor-Elect Jeff Martin as he assumes the office of Mayor.

Please accept my best wishes for a happy and healthy 2020!

Sincerely,
Kelly Yaede
Mayor

Before starting the new school year, look through last year's materials. Many items can be reused or recycled. Purchase & use school supplies made from recycled products. Use school supplies wrapped in minimal packaging, & buy in bulk when possible. Save packaging, colored paper, egg cartons & other items for arts & crafts projects. If you bring your lunch to school, package it in reusable containers instead of disposable ones. Carry food in reusable plastic or cloth bags & bring drinks in a thermos instead of disposable bottles or cartons. When buying lunch, take only what you need. Too often extra ketchup packets & napkins go to waste. Remember to recycle cans and bottles after you finish eating.

Compost at home ● Raise the cutting height of lawn mower in the summer ● Consider a sharing program with neighbors for large lawn & garden equipment ● "Grasscycle" by leaving grass clippings on your lawn (rather than bagging) ● Clean & properly store tools, toys & outdoor furniture to protect them from damage & keep them out of landfills ● Turn off or unplug lights during the day ● Have a yard sale/donate clothes, toys, appliances, & books you no longer need ● When moving, use old newspapers to wrap fragile materials ● For cleaning chores, buy reusable mops, rags & sponges.

Help Keep Our Water Clean: Limit use of fertilizers & pesticides ● Properly use & dispose of hazardous products ● Do NOT pour hazardous products down storm drains (they are usually connected to local water-bodies & this water is NOT treated) ● Do NOT put trash in storm drains Dispose of yard waste properly ● Leaves & grass should NOT be put down or near storm drains Do NOT Flush These Items Down the Drain: Diapers ● Disposable Wipes or Baby Wipes ● Disposable Gloves ● Paper Towels ● Moist Towelettes ● Toilet Cleaning Pads ● Feminine Hygiene Products ● Cotton Swabs ● Any Medication ● Grease and/or Cooking Oil

Living in Flood Areas: Obtain Flood Insurance ● 6 inches of moving water can knock down a person, 12 inches of water can cause a vehicle to become buoyant. Turn Around, Do NOT Drown. ● Do NOT walk through flooded streets (possible open manholes) ● Raise the elevation of utilities to avoid flood damage ● Check that downspouts outside of home are draining away from home (NOT into your basement) ● Make sure area next to your home is properly sloped away from house to avoid flooding basement ● Assunpink Creek, Pond Run & Miry Run last flooded in 2011 ● Flash flooding of smaller tributary can occur rapidly

Hamiltonians Give of Their Time and Efforts For the Benefit of Our Neighborhoods and Our Neighbors

Hamilton’s Stormwater Management Efforts
Hamilton performs a great deal of work when it comes to stormwater management. In 2011, Hamilton partnered with the Rutgers Cooperative Extension (RCE) Water Resources Program to evaluate watershed & stormwater management issues & develop recommendations for improving & protecting community water resources. Goals include: Engaging the community in water resource protection, Managing water quality, Minimizing localized flooding, Implementing Phase II stormwater controls & Improving stormwater facility maintenance. Hamilton Is Helping You Save on Your Flood Insurance
Hamilton’s floodplain management activities allow residents the ability to save on their flood insurance (15% if you live in a Special Flood Hazard Zone; other residents may qualify for a 5% premium savings). Learn More at:

**Reminder: Sewer Payments Due on October 1st**
- Sewer Payments are NOT automatically paid through mortgage escrow accounts (as is the case for some residents’ property tax payments)
- Online Payment Options accessible at: HamiltonNJ.com/PayOnline
NOTICE for New Homeowners/Those Who Moved Within Past Year
If you moved into a new home within the past year, it may be possible that your tax or sewer bill was received by the prior property owner. You can use our online payment system to check on the status of tax and sewer payments over the past 12 month period (to make sure that there are not any outstanding or missed payments).

Do NOT Put Leaves Near Stormwater Drains or Out Too Early
Leaves Clog Stormwater Drains (and Increases Flooding Possibilities)
Stormwater Drains Collect Water Runoff That Goes Directly Untreated Into Streams and Lakes - Making it More Difficult to Treat Drinking Water Supplies
State Regulations: Non-containerized leaves cannot be placed in the gutter more than 7 days prior to the advertised pick-up day of your specific area (HamiltonNJ.com/Leaves) AND cannot be within ten (10) feet of a storm drain.

- On your second garbage collection day of week, you may place up to three (3) bulk items at the curb
