

ASSISTANT ENGINEER, CIVIL - HAMILTON TOWNSHIP (MERCER COUNTY) is accepting applications for a full-time Assistant Engineer, Civil in the Township's Engineering Division. The candidate, under the direction of the Municipal Engineer, will perform routine civil engineering work involved in the design, construction, inspection, and maintenance of structures and facilities such as roads, bridges, dams, sewage and waste disposal systems. The candidate will assist in preparation and review of plans and drawings, as-built plans and reports, cost estimates of material, engineering specifications and detail drafting work. Candidate must have a minimum one (1) year of civil engineering experience. Graduation from an accredited college or university with a Bachelor's degree in Civil Engineering is required. An engineer-in-training certificate issued by the New Jersey State Board of Professional Engineers and Land Surveyors may be substituted for educational requirements. Strong Autocad civil drafting and GIS desirable. Valid New Jersey driver's license is required. Initial salary range \$72k – \$91k. Interested candidates should submit a cover letter and resume to Louis Guarino, Personnel Officer, 2090 Greenwood Ave. Hamilton, NJ 08609. Email: lguarino@hamiltonnj.com
