

LICENSING YOUR DOG

It is important to note that Rabies Immunization cannot expire before November 1 of the licensing year.

If rabies expires before November 1, please send a copy of new rabies certificate to renew your dog's license.

For information regarding free rabies immunizations, please refer to your township calendar for dates and times. Any questions regarding licensing of dogs and penalties for unlicensed dogs may be referred to the Hamilton Township Division of Health at 890-3825.

Thank you.
