Mission Statement

Vet Centers serve Veterans and their families by providing a continuum of quality care that adds value for Veterans, families, and communities.

Care includes professional readjustment counseling, community education, outreach to special populations, the brokering of services with community agencies, and provides a key access link between the Veteran and other services in the U.S. Department of Veterans Affairs.

Our Footprint

The Trenton Vet Center is located at 934 Parkway Avenue in Ewing, New Jersey, and serves Mercer, Somerset, Middlesex, Burlington, and Hunterdon counties.

Outreach and Education

One way that the Trenton Vet Center raises awareness of its important mission is through community outreach. A staff member, dedicated solely to community outreach and education, takes the Vet Center mission on the road each week. If you would like the Trenton Vet Center to staff a table at your event, give a talk about our services, or set up a time to speak with your veteran population about readjustment, please reach out to us!
