Food Pantry

1. The distribution of no cost State & Federally funded and privately donated non-perishable & frozen food to needy, income-eligible families in the Township of Hamilton is provided through this program. Hamilton Township’s Department of Public Works provides the manpower to unload the monthly food truck delivery from the Southern Regional Food Distribution Center in Vineland, N.J. both for the CYO Bromley Neighborhood Center & the John O. Wilson Neighborhood Service Center. John Kilcoyne, a dedicated CYO volunteer, is a huge help with the monthly food deliveries and donated foods, sorting and organizing the foods.

We distribute monthly food packages to an average of **70-80** families per month.

A total of **207** families are registered for the food pantry, as compared to **188** last year. Due to the continuing effects from the pandemic and related job losses, the demand for assistance from the food pantry continues to grow.

In Spring 2022, we converted an underused, first floor computer lab into a much larger and accessible space that allows us to accept, store, and therefore distribute more food.
