

Important 72-Hour Notice

Trenton Water Works (TWW) has contracted with **Dewcon, Inc.**, to remove lead service lines in **Hamilton Township**, a yearlong capital project.

Dewcon personnel need access to your property's water meter in the next **72 hours** to **inspect** the service line connection to see if it's lead. If your water service line is lead, Dewcon will make an appointment with you to replace it at no cost to you. **Your cooperation is mandatory.**

Please call **Dewcon** at **(732) 735-6710** to schedule an appointment to inspect your water service line. **You must reach out to Dewcon directly.**

If you have questions about TWW's **Lead Service Line Replacement Program**, please call our **Office of Communications and Public Outreach** at **(609) 989-3033** and leave a message for a return call. Business hours are Monday through Friday, 8:30 a.m. to 4:30 p.m. TWW is closed on weekends and federal, state, and municipal holidays.

We are at your service.
