PARTICIPATE IN THE HAMILTON TOWNSHIP PATRIOTIC WALKWAY

The Township of Hamilton and the Hamilton Township Patriotic Committee have an ongoing project to construct the Hamilton Township Patriotic Walkway and Monument Display at the East entrance to Veteran's Park in Hamilton Township, Mercer County, New Jersey.

Whether you purchase a brick for yourself, as a gift, or as a memorial to a loved one, this is a unique way to make a contribution to the Community and be recognized at the same time by leaving a permanent legacy or mark in the community.

The Hamilton Township Patriotic Committee is selling bricks with names and/or statements engraved in them for \$75.00 per brick. These are 4" x 8" bricks with three lines of engraving. Each line has no more than 15 characters including spaces and periods in it. The Committee reserves the right of final approval of the wording.

Please send checks or money orders, for \$75.00 per brick, payable to the Hamilton Township Patriotic Committee.
