

The Hamilton Senior Center Presents:

Crochet Group

When: Mondays
Where: Card Room
Time: 10:00am

What is Crochet?

Crochet is a type of needlecraft in which you use a hook to create fabric from loops of yarn. Crochet can be used to make everything from blankets and scarves to hats and sweaters.

If you're looking for a fun, creative way to spend your free time, crochet may be the perfect activity for you!
